

Privacy

Thursday, 24 January 2008

This website may make some use of data that directly or indirectly identifies users. We do not use any personal information for any purpose which is not related to the services we provide to you via this site. We take great care with practices that affect personal privacy.

Data that in some way identifies the user is gathered during interactions with this website in the following circumstances:

Computer Information: It is a necessary part of visiting any web-site, including this site, that the user's web-browser provides the machine's identity (its IP-address) to the web-server, so that the server can address the reply to the correct machine. In addition, the browser-type and operating system are provided.

Navigation and Click-Stream Data: Browsing any web-site, including this site, generates a trail of the pages that are visited, and the time apparently spent displaying each page. We do not use any cookies on any area of the site that is accessible to the public.
